MEMORANDUM FOR SEE DISTRIBUTION

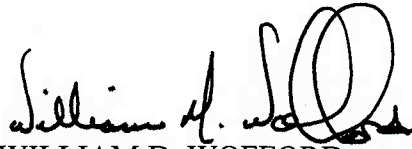

SUBJECT: The Adjutant General's Policy Memorandum No. 2007-01, Environmental Policy Statement

1. The Arkansas National Guard is dedicated to preserving the environment while accomplishing our mission to provide trained and ready forces for state emergencies and to support our nation in the event of war. In accordance with Executive Order 13423, the Arkansas National Guard is developing an Environmental Management System (eMS) to aid in meeting our mission objectives.
2. The Arkansas National Guard will strive for continual improvement in the overall environmental system while committing to the prevention of pollution. All relevant environmental orders, policies, laws, and regulations will be adhered to utilizing an eMS to incorporate into our ongoing mission. Milestones will be created to measure the progress of the incorporation of this system to meet appropriate environmental objectives.
3. Each individual within the Arkansas National Guard is responsible for understanding and implementing the eMS. Personnel are encouraged to aid in the development of this system which will provide a framework for environmental stewardship.
4. The Arkansas National Guard will maintain a positive relationship with our local communities and regulators regarding environmental matters, which jointly affect us all. This policy will be communicated to all personnel within the Arkansas National Guard and is available to the public upon request.
